Re: Final Preliminary Site Characterization Report
Devil's Swamp Lake Site
East Baton Rouge Parish, Louisiana
CERCLA Docket No. 06-04-10

Dear Mr. Cañellas:

In accordance with Appendix A (Statement of Work), Section 1.1.1.5, of the Unilateral Administrative Order for Remedial Investigation and Feasibility Study, Clean Harbors Environmental Services, Inc. (Clean Harbors), on behalf of Baton Rouge Disposal, LLC (Respondent), submits herein to the US Environmental Protection Agency (EPA) the Final Preliminary Site Characterization Report for the Devil's Swamp Lake Site in East Baton Rouge Parish, Louisiana.

The Draft Preliminary Site Characterization Report was submitted to the EPA on March 19, 2010, in accordance with the approved project schedule. On April 23, 2010, the EPA issued review comments on the Draft Preliminary Site Characterization Report. Responses to the review comments were submitted to the EPA on May 18, 2010. The EPA granted verbal approval of the review comment responses and requested submittal of the Final Preliminary Site Characterization Report during a conference call on May 19, 2010. This Final Preliminary Site Characterization Report includes revisions based on the EPA review comments and is intended to replace the Draft Preliminary Site Characterization Report.

Should you have any questions or require additional information regarding this submittal, please contact John Arbuthnot at (225) 778-3596.

Sincerely,

A handwritten signature in blue ink, appearing to read "J.C. Arbuthnot", is written over a horizontal line.

John C. Arbuthnot, PE
